Town of
Saint Andrews
New Brunswick, Canada

# WELCOMES YOU!

Saint Andrews, NB or St. Andrews by-the-Sea as it is commonly called, was founded in 1783 by the United Empire Loyalists.

This little seaside town is well preserved with many of the original buildings still gracing the Town Plat. Some of these buildings were barged to the area from Castine, Maine at the end of the Revolutionary War and are listed under the New Brunswick and Canadian Registry of Historic Places.

Throughout the decades Saint Andrews has welcomed visitors from all corners of the earth. Currently, the population is around 1800 year round and significantly increases in the summer.

Today, Saint Andrews represents one of the best-preserved examples of colonial heritage in North America. While maintaining its charm, Saint Andrews is also a dynamic, prosperous community.

Small town values and friendly neighbours mix easily with a spirited business environment. For the residents of Saint Andrews, life is indeed charmed.

## New Brunswick, Canada

**Brad Henderson, Mayor**

Thank you to our Chamber of Commerce for their leadership in consolidating our local business community into one publication. Charlotte County residents supported our local businesses during the pandemic when they needed it the most, and we couldn't be more thankful for their assistance in keeping our town open. Shopping local keeps our neighbours, friends and even family employed!

Saint Andrews is growing, and we are delighted to welcome many new residents to the region. This guide should be a wonderful reference point for service providers, shops, restaurants, attractions, and more. With our population growth (14.8%!) comes new business opportunities, and I would like to acknowledge the new business owners for investing in our community. Our local economy is stronger by working together, and there are many volunteer opportunities to get involved in the shaping of our community.

As a Town Council and staff, we look forward to working closely with the Chamber, Explore Saint Andrews, and our local downtown Business Improvement Association. There are many more success stories ahead by working together. Thank you to all of the board members and volunteers for continuing to raise your hand to make Saint Andrews the perfect place to live, visit, and shop.

Sincerely,
Brad Henderson, Mayor of Saint Andrews

Mayor of Saint Andrews
