Town of
Saint Andrews
New Brunswick, Canada

WELCOMES YOU!

Saint Andrews, NB or St. Andrews by-the-Sea as it is commonly called, was founded in 1783 by the United Empire Loyalists.

This little seaside town is well preserved with many of the original buildings still gracing the Town Plat. Some of these buildings were barged to the area from Castine, Maine at the end of the Revolutionary War and are listed under the New Brunswick and Canadian Registry of Historic Places.

Throughout the decades Saint Andrews has welcomed visitors from all corners of the earth. Currently, the population is around 1800 year round and significantly increases in the summer.

Today, Saint Andrews represents one of the best-preserved examples of colonial heritage in North America. While maintaining its charm, Saint Andrews is also a dynamic, prosperous community.

Small town values and friendly neighbours mix easily with a spirited business environment. For the residents of Saint Andrews, life is indeed charmed.

THE ALGONQUIN RESORT

Since 1889, The Algonquin Resort has welcomed travelers to rest, reconnect, and take in the sea air of St. Andrews by-the-Sea. Today, this storied seaside icon enters a bold new chapter, featuring reimagined guestrooms, elevated dining led by celebrated chefs, and an award-winning golf course that reflects the spirit of the coast.

Every detail is thoughtfully considered, from the signature Afternoon Tea ritual to refreshed guest rooms and sweeping ocean views that make you almost taste the salt of Passamaquoddy Bay. More than a getaway, The Algonquin is where timeless character meets modern coastal luxury, a place to gather, celebrate, and be restored.
