President's Message

It is with great pleasure that we, as members of the business community, and the St. Andrews Chamber of Commerce present this directory of businesses 2021.

We have 130 businesses listed here providing goods and services from retail and construction to strict business to business support as well. Please call us at the Chamber of Commerce if you need assistance in finding a company to serve you or if you are interested in becoming a business owner locally.

Thanks to our dedicated Chamber Directors, Staff and Volunteers who have worked diligently to produce this directory. Thanks also to all the businesses which have supported this directory by participation.

We have been fortunate to keep our businesses sustainable during this pandemic and look forward to better days ahead for our businesses and their customers.

Town of Saint Andrews

New Brunswick, Canada

Doug Naish, Mayor

Let me offer my congratulations to the Board of the Saint Andrews Chamber of Commerce for the creation of this Business Directory. It comes at a time when our community and others throughout Canada and the world are attempting to restart their local economies in the face of COVID-19.

In recent times, we have realized the advantages of collaboration and cooperation in dealing with adversity. My thanks to the Chamber for the crucial role their members have played in the establishment and administration of the Tourism Accommodation Levy. Coordination between the Town and Chamber has never been better.

This partnership must continue to grow to take full advantage of the opportunities of the new 10-year Municipal Plan. The Business Directory recognizes that businesses outside our Town borders also play a big role in our economic success and quality of life.

Instead of competing, they are often complementary and would not fit within our limited business space and zoning. Much more can and should be done. Under the Chamber's leadership, we need a Business Gap Analysis and Recruitment Strategy for new businesses that do fit.

My gratitude for this start. Let's move forward together.

ST. ANDREWS by-the-Sea

WELCOMES YOU!

Saint Andrews, NB or St. Andrews by-the-Sea as it is commonly called, was founded in 1783 by the United Empire Loyalists.

This little seaside town is well preserved with many of the original buildings still gracing the Town Plat. Some of these buildings were barged to the area from Castine, Maine at the end of the Revolutionary War and are listed under the New Brunswick and Canadian Registry of Historic Places.

Throughout the decades Saint Andrews has welcomed visitors from all corners of the earth. Currently, the population is around 1800 year round and significantly increases in the summer.

Today, Saint Andrews represents one of the best-preserved examples of colonial heritage in North America. While maintaining its charm, Saint Andrews is also a dynamic, prosperous community.

Small town values and friendly neighbours mix easily with a spirited business environment. For the residents of Saint Andrews, life is indeed charmed.
