Town of
Saint Andrews
New Brunswick, Canada

WELCOMES YOU!

Saint Andrews, NB or St. Andrews by-the-Sea as it is commonly called, was founded in 1783 by the United Empire Loyalists.

This little seaside town is well preserved with many of the original buildings still gracing the Town Plat. Some of these buildings were barged to the area from Castine, Maine at the end of the Revolutionary War and are listed under the New Brunswick and Canadian Registry of Historic Places.

Throughout the decades Saint Andrews has welcomed visitors from all corners of the earth. Currently, the population is around 1800 year round and significantly increases in the summer.

Today, Saint Andrews represents one of the best-preserved examples of colonial heritage in North America. While maintaining its charm, Saint Andrews is also a dynamic, prosperous community.

Small town values and friendly neighbours mix easily with a spirited business environment. For the residents of Saint Andrews, life is indeed charmed.

Town of Saint Andrews

New Brunswick, Canada

Kate Akagi
Acting Mayor of
Saint Andrews

The Chamber of Commerce continues to be a leader in business and development in our community. The publication of the Local Business Directory shows the great continuity and support for our business community and helping residents and visitors alike. As continued supporters and a member of the Chamber of Commerce, we are proud of the hard work and effort they make to making Saint Andrews the beautiful and welcoming community we have.

Saint Andrews continues to grow with new businesses and residential properties being constructed in our downtown and across our community. This increase in businesses and residential growth will have a positive economic impact in our community. With the ongoing investment into our community and the leadership and continuity that the Chamber of Commerce brings, we will continue to be an attractive community for opportunities and investment.

The Council and staff of the Town of Saint Andrews looks forward to further opportunities to partner with the Chamber of Commerce, Explore St. Andrews, and Waterfront Saint Andrews to making our community welcoming to all. We want to thank all the great business volunteers who commit their time and effort to making Saint Andrews a rewarding and trusted business community to live, work, and play in.

Sincerely,
Catherine (Kate) Akagi
Acting Mayor of Saint Andrews
